

Vita Health Accessibility Statement

Vita Health is committed to ensuring that our services, including our website, are accessible to all individuals, including people with disabilities. We strive to provide an inclusive and user-friendly experience in accordance with applicable federal and Oregon laws.

Accessibility Standards

Our website is designed to comply with the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA standards. These guidelines explain how to make web content more accessible for people with a wide range of disabilities, including visual, auditory, physical, speech, cognitive, language, learning, and neurological disabilities.

Ongoing Efforts

We recognize that accessibility is an ongoing effort, and we are committed to regularly reviewing, updating, and improving our digital content to ensure that it remains accessible to everyone. If certain features or content are not yet fully accessible, we are actively working to address these issues.

Requesting Assistance

If you encounter any difficulty accessing information on our website, please contact Vita Health so we can provide the information you need in an alternative format. We will make every effort to ensure that your request is addressed promptly.
